

Wire Transfer Instructions

Ready to make your wire transfer to our office?

First, make sure you specify the property address in the recipient field. This is so that we are able to easily identify the wire when it arrives on our end. This will make sure it is easily credited to your account in a timely manner upon arrival. Without this information, your transaction could be delayed. We will let the accounting team know that it is on the way.

Please provide your bank with the following banking information so they can complete the desired transaction.

SunTrust Bank
3334 Virginia Beach Blvd.
Virginia Beach, VA 23452

Routing #: 061000104
Account #: 203248147

Note: No payments can be brought to SunTrust or sent directly to our bank – ONLY WIRE TRANSFERS. Never use this account number to take or mail payments to SunTrust, this includes sending us funds via Western Union.

Our Foreign Banking Clients:

If you are wiring money to us from a foreign bank, please provide them additionally with SunTrust's SWIFT#: **SNTRUS3A**. Using this info will help your bank send the funds directly to us and avoid intermediary banking fees.

IMPORTANT

Sender is responsible for any fees assessed by SunTrust for deviations from the instructions. Our RE/MAX Alliance Bookkeeping Department thanks you for your consideration.
